

Hounslow Heath Infant and Nursery school Vision statement

Alongside our EARTH Curriculum we believe that PE and sport play an important role in enhancing our children's academic abilities. At Hounslow heath Infants we pride ourselves on placing our children's wellbeing at the forefront of everything we do. Through PE and Sport our children learn to develop the important life skills of:

- ❖ resilience
- ❖ discipline
- ❖ team work
- ❖ Self esteem
- ❖ ambition
- ❖ health and wellbeing

All of which contribute to improved concentration, attitude and academic achievement.

We aim to provide an exciting, varied curriculum which encourages children to challenge themselves and have real life, hands on experiences. With the help of PE and sport children can take part in inter and intra competitions, try out new sports and take risks in a safe, supportive environment.

In June 2013 we welcomed the Governments announcement to provide additional funding to improve the provision of physical education (PE) and sport in schools. We have embraced this resource and have provided our pupils with more high quality PE lessons, opportunities to take part in sporting competitions, and clubs. We continue to develop our PE to give our children many more new and exciting opportunities, as well as aiming to educate parents and support them in helping their children live healthier, well balanced lifestyles.

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013)

We are working closely with Sport Impact and have identified key areas through a self-review process to ensure we can meet the high expectations in PE and Sport for our children.

'Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provisions between schools, both within and beyond the school day'- (DfE June 2013)

Sport Premium Grant

Total no of primary aged pupils between the ages of 5-11 (Oct 2018)	570
Total amount of Sport Premium Grant received (May 2018)	£20090

Nature of Support

High Quality Physical Education: Raising standards of all our children in Physical education

- ❖ Regular specialist support from qualified PE teachers or qualified sports coaches working with primary teachers to achieve high quality teaching and learning in lessons.
- ❖ Specialist support alongside the Primary PE co-ordinator in curriculum provision, mapping, and lesson planning
- ❖ Support in monitoring and evaluate the progress of pupils through assessment.
- ❖ CPD opportunities for teachers in national and bespoke programmes in PE & Sport
- ❖ Professional Quality assured teaching modules & materials for PE & Sport
- ❖ Development of student leadership programmes

Competitive School Sport: Increasing pupils' participation in extra-curricular sport

- ❖ Inclusive competition opportunities (disability/SEN)
- ❖ Support with intra and inter school competition co-ordination and delivery
- ❖ Organised competitions at local/borough level
- ❖ Organisation of a Borough Dance Festival
- ❖ Half a term of tennis coaching provided by Dukes Meadow Tennis Centre

Healthy Active Lifestyles: Ensuring all children have access to regular exercise

- ❖ School based Health Programme and intervention strategies
- ❖ Change 4 Life club opportunities for 'inactive' young people
- ❖ 'Playground marking' CPD for teachers/support staff

Self- Review & Quality Assurance: Measuring the impact of the funding

- ❖ Monitoring of pupil progress through assessment in lessons
- ❖ Quality Assurance Mark- online tool for development and self-assessment
- ❖ School Games Kite Mark support- monitoring competitive school sport
